ROOTED CAMELLIA CUTTINGS

This season we will have a splendid selection of over one million rooted cuttings representing 350 fine Camellia varieties. These cuttings have superior roots developed in vermiculite and will transplant with a minimum of shock. Some varieties are ready for immediate shipment, and all varieties will be ready by November or December.

All cuttings will be expertly packed in damp sphagnum moss to insure delivery in good condition.

CAMELLIA LINERS

To insure best results camellia liners should be transplanted the latter part of November and December. We are offering quality plants this season which will do nicely in the field, lath or in containers. To avoid delays and shortages, we urge you to send us your want list so that we can quote you prices and tell you what we can supply.

Write for catalogue and price list.

To better serve you
we maintain branches
at Loxley, Alabama
and at Cairo, Georgia
